The Stone Center works with the campus and the community to explore African American and Diaspora arts, cultures and histories from various interdisciplinary and disciplinary perspectives and promotes focused projects that address key issues in social justice.

The Sonja Haynes Stone Center for Black Culture and History:

- Is a center for culture, research, outreach and service
- Questions what it means to be of African descent in the Americas and how Black identities, cultures and histories in the diaspora are constructed
- Critically examines the role that culture and identity play in social change and community development

The Stone Center is ADA compliant. Free visitor parking is available in the Bell Tower parking deck behind the Stone Center after 5pm. Call for directions and for visitor parking before 5pm.
